

AUGAAA

The image displays the sequence AUGAAA. Each letter is represented by a large, bold, sans-serif font. The 'A's are green with a red base, the 'U' is red, the 'G' is orange, and the 'C's are blue. Below the sequence, there are small, colorful horizontal bars representing base pairing: a red bar under the first 'A', a green bar under the 'U', a blue bar under the 'G', and orange bars under the 'C's. The 'A's are also paired with red bars.

EEEEEE

The image displays the sequence EEEEEEE. Each letter is represented by a large, bold, sans-serif font. The 'E's are blue. Above the sequence, there are small, colorful horizontal bars representing base pairing: a red bar under the first 'E', a green bar under the second 'E', a blue bar under the third 'E', and orange bars under the fourth, fifth, and sixth 'E's. The 'E's are also paired with red bars.
